FIG. 1

FIG. 2

Description:

The design consists of the visual features of the entirety of the drinking glass shown in the drawings. The drawings show three designs which do not differ substantially from one another. Figures 1 through 7 show the first variant, Figures 8 through 14 show the second variant and Figures 15 through 21 show the third variant. Drawings of the design are included wherein: Figure 1 is a perspective view of the first variant of the design; Figure 2 is a front view of the first variant of the design; Figure 3 is a rear view of the first variant of the design; Figure 4 is a right side view of the first variant of the design; Figure 5 is a left side view of the first variant of the design; Figure 6 is a top view of the first variant of the design; Figure 7 is a bottom view of the first variant of the design; Figure 8 is a perspective view of the second variant of the design; Figure 9 is a front view of the second variant of the design; Figure 10 is a rear view of the second variant of the design; Figure 11 is a right side view of the second variant of the design; Figure 12 is a left side view of the second variant of the design; Figure 13 is a top view of the second variant of the design; Figure 14 is a bottom view of the second variant of the design; Figure 15 is a perspective view of the third variant of the design; Figure 16 is a front view of the third variant of the design; Figure 17 is a rear view of the third variant of the design; Figure 18 is a right side view of the third variant of the design; Figure 19 is a left side view of the third variant of the design; Figure 20 is a top view of the third variant of the design; and Figure 21 is a bottom view of the third variant of the design.
